

The background is a deep blue gradient. On the left, there are faint, glowing binary digits (0s and 1s) arranged in a way that suggests data flow. A network of thin, light blue lines connects various points across the frame. On the right side, there are several concentric, glowing blue circles and arcs, some solid and some dashed, resembling a digital interface or a stylized eye. A bright blue lens flare or starburst effect is positioned near the bottom center, where the text is located.
